Просмотрите видео и вставьте пропущенные слова:

code old full-time able condition resume

- It says here on your 1.____ that you, from 2010 to 2011, crushed it?
- That is actually an 2.____ resume. It shows that I redid - I crushed it from 2013 to present.
- So are we to understand that you did not crush it in 2012?
- There was a medical situation preventing me from crushing it to my usual standarts. So I had to take some time off till I was 3.____ to crush it at 100 percent at which points, I resume, crushing it 4.____.
- So, it says here that you are proficient in C++, 5.____ assembly for multiple processor architectures, and that you are a cyborg?
- That is correct. Short for cybernetic organism. I came into this world of filth and pain with a congenital heart 6.____ requiring the installation of a pacemaker upon which I am mortally dependant.
- Wow! It is technically a cyborg! Yeah, it makes the resume accurate.
- Look! We all know that I can make a shitload more money working for some multi-coloured happy town in a hermetically sealed box. But permission to be honest.
- Permission granted. Granted.
- I like that you guys are so weird!
- Yes, we are the weird ones!

Keys:

1. resume 2. old 3. able 4. full-time 5. code 6. condition

”
